Dear Parents and Carers,

RE: Year 11 'Prepare to Perform' Evening – Tuesday 8th October 2024 at 5pm

I hope this letter finds you well. As we approach the crucial period of Pre-Public Examinations (PPEs), I am writing to invite you to our 'Prepare to Perform' evening for parents of Year 11 students. This event aims to provide you with valuable insights and guidance on how to support your child in preparing for their upcoming PPEs and their GCSE exams in the summer.

The 'Prepare to Perform' evening will take place on Tuesday, 8th October, starting promptly at 5pm. We have organised this event to ensure that parents are well-informed about the strategies and resources available to assist their child during this critical time.

During the evening, we will address various topics, including effective revision techniques, time management, and helpful resources that can aid your child's academic progress. We believe that your involvement and support are vital in helping your child achieve their full potential, and this event will equip you with the necessary information to do so.

To ensure that everyone attending can fully focus on the presentations, we will be providing a hot meal for both parents and students. This will allow you to enjoy a meal together before delving into the informative sessions.

We strongly encourage all parents and carers to attend this event, as we firmly believe that your active participation will greatly benefit your child's educational journey. Your support and engagement are crucial during this challenging period, and together, we can help your child excel this year and in their GCSE exams.

Thank you for your continued support and dedication to your child's education. We look forward to welcoming you to our 'Prepare to Perform' evening.

Yours sincerely,

Ian Mountain
